Match the Most Pairs to Win!

Instructions (for adults)

Print the flip flop image below.

Cut out the cards along the lines.

Playing Rules

Mix up the cards, then place each card face down on a table in a grid formation.

Each player takes a turn turning over two cards at a time to try and find a match.

If a match is made, the player keeps the cards. If no match is made, the cards are turned back over in the same place and the next player takes a turn.

Once all the pairs have been matched, the player with most pairs wins!
